Subject: Analyses [REDACTED]

James:

I have a trial possibly starting 3/8/13 in the Hampden County Superior Court, or within the next couple of weeks depending on court backlog. It is Commonwealth v. [REDACTED] with the above-referenced analyses. I understand that you cannot access your files at this time but the case cannot be continued. Hopefully we can prevail on your testimony as they relate to the analyses and your knowledge of the policy and procedures of the lab and your customary practices. Let me know if you have any questions or suggestions.
